Is your payment processing trapped in inefficient systems, dependent on unsatisfactory representation and support?

Do you know your Agent's name? When you need to call is the only support number you have 1-800-GOOD-LUCK?

Access to efficient, affordable technology is available today from **Payment Processing Direct.**

My name is *Leslie Buell*. My company is Payment Processing Direct. PPDirect takes complete responsibility for your electronic payment processing, including credit & debit cards, ACH check processing, check guarantee, gift & loyalty programs. We provide terminal-based support, POS system expertise and payment processing options from a variety of service providers and technology companies .

Electronic card and check payments systems should be the source of great business results, not a source of frustration. Find out how your systems stack up, with a **FREE** payment systems review and evaluation. With more than 100 years of combined experience we will help your company:

- Reduce manual, repetitive procedures.
- Increase profitability by saving time and money through more efficient systems, less manual procedures, faster processing times.
- Identify key components that drive business effectiveness.
- Speed cash flows.
- Increase customer satisfaction and loyalty.

At **PPDirect** we:

- Take responsibility for all *non-cash* payment processing.
- Speak your language— straightforward, plain and simple English.
- Do not add an additional layer of cost, our services are all-inclusive in the same rates and fees that you already pay.
- Provide no-charge direct technical support and administrative support (banking & transactional issues).
